

Raise a Hallelujah

I raise a hallelujah
in the presence of my enemies
I raise a hallelujah
louder than the unbelief
I raise a hallelujah
my weapon is a melody
I raise a hallelujah
Heaven comes to fight for me

Sing a little louder in the presence of my enemies
Sing a little louder louder than the unbelief
Sing a little louder my weapon is a melody
Sing a little louder Heaven comes to fight for me
REPEAT

Sing a little louder

I'm gonna sing in the middle of the storm
Louder and louder
you're gonna hear my praises roar
Up from the ashes hope will arise
Death is defeated the King is alive

I'm gonna sing in the middle of the storm
Louder and louder
you're gonna hear my praises roar
Up from the ashes hope will arise
Death is defeated the King is alive

I raise a hallelujah
with everything inside of me
I raise a hallelujah
I will watch the darkness flee
I raise a hallelujah
in the middle of the mystery
I raise a hallelujah
fear you lost your hold on me

I'm gonna sing in the middle of the storm
Louder and louder
you're gonna hear my praises roar
Up from the ashes hope will arise
Death is defeated the King is alive

I'm gonna sing in the middle of the storm
Louder and louder
you're gonna hear my praises roar
Up from the ashes hope will arise
Death is defeated the King is alive

King of My Heart

Let the King of my heart
Be the mountain where I run
The fountain I drink from
Oh He is my song
Let the King of my heart
Be the shadow where I hide
The ransom for my life
Oh He is my song

You are good good oh
You are good good oh
You are good good oh
You are good good oh

Let the King of my heart
Be the wind inside my sails
The anchor in the waves
Oh He is my song
Let the King of my heart
Be the fire inside my veins
The echo of my days
Oh He is my song
REPEAT

You are good good oh
You are good good oh
You are good good oh
You are good good oh

You're never gonna let
Never gonna let me down
You're never gonna let
Never gonna let me down
You're never gonna let
Never gonna let me down
You're never gonna let
Never gonna let me down
REPEAT

You are good good oh
You are good good oh
You are good good oh
You are good good oh

You're never gonna let
Never gonna let me down
You're never gonna let
Never gonna let me down
You're never gonna let
Never gonna let me down
You're never gonna let
Never gonna let me down

You are good good oh
You are good good oh
You are good good oh
You are good good oh

Living Hope

How great the chasm that lay between us
How high the mountain I could not climb
In desperation I turned to heaven
And spoke Your name into the night
Then through the darkness Your loving-kindness
Tore through the shadows of my soul
The work is finished the end is written
Jesus Christ my living hope

Then came the morning that sealed the promise
Your buried body began to breathe
Out of the silence the Roaring Lion
Declared the grave has no claim on me
REPEAT
Jesus Yours is the victory

Who could imagine so great a mercy
What heart could fathom such boundless grace
The God of ages stepped down from glory
To wear my sin and bear my shame
The cross has spoken I am forgiven
The King of kings calls me His own
Beautiful Savior I'm Yours forever
Jesus Christ my living hope

Hallelujah praise the One who set me free
Hallelujah death has lost its grip on me
You have broken every chain
There's salvation in Your name
Jesus Christ my living hope
REPEAT

Hallelujah praise the One who set me free
Hallelujah death has lost its grip on me
You have broken every chain
There's salvation in Your name
Jesus Christ my living hope
REPEAT

Jesus Christ my living hope
Oh God You are my living hope

Heart of Worship

When the music fades
all is stripped away
And I simply come
Longing just to bring
something that's of worth
That will bless Your heart

I'll bring You more than a song
For a song in itself is not what You have required
You search much deeper within
Through the way things appear
You're looking into my heart

I'll bring You more than a song
For a song in itself is not what You have required
You search much deeper within
Through the way things appear
You're looking into my heart

I'm coming back to the heart of worship
And it's all about You all about You Jesus
I'm sorry Lord for the thing I've made it
When it's all about You all about You Jesus
REPEAT

I'm coming back to the heart of worship
And it's all about You all about You Jesus
I'm sorry Lord for the thing I've made it
When it's all about You all about You Jesus

I'll bring You more than a song
For a song in itself is not what You have required
You search much deeper within
Through the way things appear
You're looking into my heart

King of endless worth no one could express
How much You deserve
Though I'm weak and poor all I have is Yours
Ev'ry single breath

I'm coming back to the heart of worship
And it's all about You all about You Jesus
I'm sorry Lord for the thing I've made it
When it's all about You all about You Jesus
